W.B. MELONEY, WORLD WRITER, IN WRECK

## ONE KILLED AND THIRTY INJURED IN WRECK OF TRAIN

Atlantic City Express on the Jersey Central Crashes Into Freight Cars at a Siding in Eatontown.

By William Browne Meloney, of The World management of the Home was that his Staff, who was on the wrecked train, and who, although painfully injured, sent the following account of the accident to The Evening World by long-distance telephone from Eatontown:

The Atlantic City Express, on the Central Railroad of New Jersey, Arnold, superintendent of the home. Leaving Atlantic City at 8.30 A. M. to-day and due at Jersey City at 11.30 Mrs. Arnold told an Evening World re o'clock, was wrecked at Eatontown, N. J., by a misplaced switch. One dead man has been identified. The report that another body is buried in the wreckage is denied by the railroad officials. Those killed and most seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination baggage and the seriously injured were passengers in the combination of the seriously injured were passengers and the seriously injured were passengers in the combination of the seriously injured were passengers and the seriously in
